

Job vacancy: Financial/ Project budget expert (Code: FA2209)

Introduction

PROMEA develops and deploys innovative approaches for research, interregional cooperation, and training. The company launches and coordinates EU-funded research project proposals and develops research results & prototypes into innovative products & services for its clients. PROMEA coordinates and / or implements technical work as project leader or partner in Erasmus+, Interreg and Horizon 2020 projects. **We are looking for a full-time in-house Financial/ Project budget expert to join our growing team and to contribute to the financial management of EU-funded projects in the areas above.** (This vacancy can be filled at both senior and junior level and by more than one person).

Role

As a financial expert in PROMEA, you will be part of an international, experienced, result-driven team that works in a collaborative way with emotional intelligence and a sharing culture. Day-to-day tasks will likely include a combination of the following:

- Contribute to the compliance with accounting policies, tax, and regulatory requirements and liaise with the company accountants
- Participate and contribute to the day-to-day financial operations of the company (payroll, invoicing, etc.)
- Update the internal financial management system and contribute to the internal financial management reporting
- Support the development of budgets for EU projects
- Oversee the execution of the projects' budgets and the planned allocation of staff resources to the projects.

Needed requirements

- University degree in business, accounting, economics, or relevant field with solid quantitative skills
- MS Excel power user
- Adequate fluency in both English and Greek (spoken and written)
- Capability for prioritising, summarizing and presenting financial information
- Ability to deliver under strict deadlines, ability to manage tasks and deliverables within schedule.

Good to have

- 1+ years of experience in a relevant position
- Basic familiarity with IFRS (International Financial Reporting Standards) and Greek Accounting Standards.

Offered

- Competitive remuneration with benefits and bonus scheme (applying progressively)
- Continuous learning, smooth induction scheme with training materials, and constant guidance
- Career growth opportunities
- Possibility for hybrid onsite and remote working (conditions apply)
- Private health & life insurance scheme.
